

**Non-Interstate Two/Three Axle Trailer Annual
Overweight Divisible Transport Permit # 18A20513311**

Valid From: **11/01/2018** To: **10/31/2019**

Issued to:

ROCKY MOUNTAIN CRANE SERVICE INC
10425 1/2 COUNTY ROAD 120
PONCHA SPRINGS, CO 81244

Permit Fee: **\$39.00** (Credit Card)
Sent By: **Email - sierra@ROCKYMOUNTAINCRANE.COM**
Ordered By: **DARLENE SUSTRICH**

Vehicle VIN # **YD528112**
USDOT # **1003653**

Vehicle Year/Make: **2000 PETERBILT**
Unit No #: **SM010**

1. This permit is valid only on Colorado non-interstate highways. Operation on the interstate highways is a violation of this permit and subject to overweight fines in excess of legal weight.
2. This permit is valid for an overweight divisible vehicle combination/load only. Vehicle combination must be a power unit and trailer. The trailer must have at least two and not more than three axles. Vehicle combination/load cannot exceed legal dimensions.
3. This permit is not an authorization to cross load posted structures.
4. Operation on local streets and county roadways requires a separate permit from the governing local authorities. Permittee must have permission from all cities or counties to use their roads.
5. This permit authorizes an overweight vehicle to carry a divisible load exceeding 85,000 lbs and up to 97,000 lbs on non-interstate highways.
6. For this permit to be valid, the permittee must have knowledge of and comply with the following documents:
 - A) Colorado Bridge Weight Limit Map
 - B) Rules and Regulations Pertaining to Transport Permits for Movement of Extra-Legal Vehicles or Loads

The MAXIMUM limits under this annual permit are as follows:

1. All dimensions do NOT exceed legal values.
2. Ninety-seven thousand pounds gross vehicle weight, subject to the maximum limits for axle weight designated on the Bridge Weight Limit Map.

Special Restrictions

Go to <https://www.codot.gov/business/permits/truckpermits/restrictions.html> to view current OSOW restrictions throughout Colorado.

Must contact local municipalities (City/County) for permission to use their roads.

This permit is valid ONLY on Colorado highways. Operation on local streets and county roadways requires a separate permit from the governing local authorities.

When CDOT issues this permit, it does not assume any liability in regard to the condition of roads or capacity of culverts or bridges. It is the permittee's responsibility to make necessary inspections of the road or bridge before proceeding. In addition, CDOT field officials have the authority to suspend this permit at any time.

Railroad Crossing Emergency contact number 888-877-7267 or 800-832-5452, Option 1.

Travel PROHIBITED when hazardous conditions exist included SNOW, ICE, MUD, ROCKS, WINDS and REDUCED VISIBILITY.

NO oversize movement is EVER allowed where the chain law is in effect. Overweight ONLY are allowed to chain up and proceed as conditions allow. See Rule 2 CCR 601-4 and 2 CCR 601-9.

PERMIT SHALL BE SIGNED AND CARRIED IN TOWING VEHICLE DURING MOVEMENT.

The undersigned agrees:

1. To take every precaution to protect the highway and traffic from damage or injury, using certified pilot cars or flagpersons to warn the traveling public on all blind curves, both horizontal and vertical:
2. To be financially responsible and to make prompt payment for any damage caused to the traffic, to traffic lights, overhead signs, wires, cables and other installations or to the highway or bridges by the transportation of this load. C.R.S. 42-4-512.
3. That the operator of the vehicle(s) is duly licensed according to statute.
4. To operate the vehicle or vehicles at all times in accordance with any and all provisions of the law, except as exempted herein, with regard to motor vehicles and the operation thereof.
5. That he/she understands and accepts all provisions and requirements of this permit.

6. To indemnify and hold harmless the State of Colorado, the State Department of Transportation, its officers and employees, appointed officials and all members of the State Transportation Commission from all suits, actions or claims of any character whatsoever brought because of injuries or damage received by any person, persons or property arising from the issuance or use of this permit.

NOTE: No refunds for non-use of permit.

THIS PERMIT IS NOT VALID UNLESS SIGNED BY PERMITTEE.

By signing below, permittee agrees that all dimensions and/or weights shown are correct and permittee accepts all responsibility for damages to the highway, to persons, and to property caused by or arising from operations covered by this permit.

When CDOT issues this permit, it does not assume any liability in regard to the condition of roads or capacity of culverts or bridges. It is the permittee's responsibility to make necessary inspections of the road or bridge before proceeding. In addition, CDOT field officials have the authority to suspend this permit at any time.

Railroad Crossing Emergency contact number 888-877-7267 or 800-832-5452, Option 1.

Travel PROHIBITED when hazardous conditions exist included SNOW, ICE, MUD, ROCKS, WINDS and REDUCED VISIBILITY.

NO oversize movement is EVER allowed where the chain law is in effect. Overweight ONLY are allowed to chain up and proceed as conditions allow. See Rule 2 CCR 601-4 and 2 CCR 601-9.

PERMIT SHALL BE SIGNED AND CARRIED IN TOWING VEHICLE DURING MOVEMENT.

The undersigned agrees:

1. To take every precaution to protect the highway and traffic from damage or injury, using certified pilot cars or flagpersons to warn the traveling public on all blind curves, both horizontal and vertical:
2. To be financially responsible and to make prompt payment for any damage caused to the traffic, to traffic lights, overhead signs, wires, cables and other installations or to the highway or bridges by the transportation of this load. C.R.S. 42-4-512.
3. That the operator of the vehicle(s) is duly licensed according to statute.
4. To operate the vehicle or vehicles at all times in accordance with any and all provisions of the law, except as exempted herein, with regard to motor vehicles and the operation thereof.
5. That he/she understands and accepts all provisions and requirements of this permit.

6. To indemnify and hold harmless the State of Colorado, the State Department of Transportation, its officers and employees, appointed officials and all members of the State Transportation Commission from all suits, actions or claims of any character whatsoever brought because of injuries or damage received by any person, persons or property arising from the issuance or use of this permit.

NOTE: No refunds for non-use of permit.

THIS PERMIT IS NOT VALID UNLESS SIGNED BY PERMITTEE.

By signing below, permittee agrees that all dimensions and/or weights shown are correct and permittee accepts all responsibility for damages to the highway, to persons, and to property caused by or arising from operations covered by this permit.

1. This permit is valid only on Colorado non-interstate highways. Operation on the interstate highways is a violation of this permit and subject to overweight fines in excess of legal weight.
2. This permit is valid for an overweight divisible vehicle combination/load only. Vehicle combination must be a power unit and trailer. The trailer must have at least two and not more than three axles. Vehicle combination/load cannot exceed legal dimensions.
3. This permit is not an authorization to cross load posted structures.
4. Operation on local streets and county roadways requires a separate permit from the governing local authorities. Permittee must have permission from all cities or counties to use their roads.
5. This permit authorizes an overweight vehicle to carry a divisible load exceeding 85,000 lbs and up to 97,000 lbs on non-interstate highways.
6. For this permit to be valid, the permittee must have knowledge of and comply with the following documents:
 - A) Colorado Bridge Weight Limit Map
 - B) Rules and Regulations Pertaining to Transport Permits for Movement of Extra-Legal Vehicles or Loads

The MAXIMUM limits under this annual permit are as follows:

1. All dimensions do NOT exceed legal values.
2. Ninety-seven thousand pounds gross vehicle weight, subject to the maximum limits for axle weight designated on the Bridge Weight Limit Map.

Special Restrictions

Go to <https://www.codot.gov/business/permits/truckpermits/restrictions.html> to view current OSOW restrictions throughout Colorado.

Must contact local municipalities (City/County) for permission to use their roads.

This permit is valid ONLY on Colorado highways. Operation on local streets and county roadways requires a separate permit from the governing local authorities.

When CDOT issues this permit, it does not assume any liability in regard to the condition of roads or capacity of culverts or bridges. It is the permittee's responsibility to make necessary inspections of the road or bridge before proceeding. In addition, CDOT field officials have the authority to suspend this permit at any time.
