This permit is valid ONLY on Colorado highways. Operation on local streets and county roadways requires a separate permit from the governing local authorities.

When CDOT issues this permit, it does not assume any liability in regard to the condition of roads or capacity of culverts or bridges. It is the permittee's responsibility to make necessary inspections of the road or bridge before proceeding. In addition, CDOT field officials have the authority to suspend this permit at any time.

PERMIT SHALL BE SIGNED AND CARRIED IN TOWING VEHICLE DURING MOVEMENT.

The undersigned agrees:

1. To take every precaution to protect the highway and traffic from damage or injury, using certified pilot cars or flagpersons to warn the traveling public on all blind curves, both horizontal and vertical:

2. In case of an overwidth load, the same is to be placed on the vehicles with the overhang as far to the right as possible, and in any event the materials shall be loaded so as to present the minimum hazard to the public.
3. To be financially responsible and to make prompt payment for any damage caused to the traffic, to traffic lights, overhead signs, wires, cables and other installations or to the highway or bridges by the transportation of this load. C.R.S. 42-4-512.
4. That the operator of the vehicle(s) is duly licensed according to statute.
5. To operate the vehicle or vehicles at all times in accordance with any and all provisions of the law, except as exempted herein, with regard to motor vehicles and the operation thereof.
6. That he/she understands and accepts all provisions and requirements of this permit.
7. To indemnify and hold harmless the State of Colorado, the State Department of Transportation, its officers and employees, appointed officials and all members of the State Transportation Commission from all suits, actions or claims of any character whatsoever brought because of injuries or damage received by any person, persons or property arising from the issuance or use of this permit.

NOTE: No refunds for non-use of permit.

THIS PERMIT IS NOT VALID UNLESS SIGNED BY PERMITTEE.

By signing below, permittee agrees that all dimensions and/or weights shown are correct and permittee accepts all responsibility for damages to the highway, to persons, and to property caused by or arising from operations covered by this permit.
